

U.S. Department of Health and Human Services

Administration for Children & Families

Linda Savage, program manager of the Region III Head Start office

Linda Savage currently serves as the Department of Health and Human Service; Administration for Children; Office of Head Start Regional Program Manager for the Philadelphia Regional Office. She oversees Head Start grantees in a six state region consisting of the states of Virginia, Delaware, Maryland, West Virginia, Pennsylvania and the District of Columbia.

Mrs. Savage is currently in her 34th year with the Federal Government. She began as a civil servant with the Social Security Administration working with Medicare/Medicaid until becoming an Aid to Families with Dependent Children Quality Control Specialist. Upon the black granting of the AFDC program, Mrs. Savage transferred and became a Head Start Program Specialist, serving in this role for the past 15+ years. In July, 2011 she was selected as the replacement for the two recently retired Program Managers, Ed Vreeswyk and David Lyon as well as the recently retired Regional Program Manager, Nancy Elmore.
