

## **Northeast Region Meeting**

About 40 persons from nine programs came out for the Northeast Region meeting at Stafford Head Start on May 28.

The meeting focus was on Health and included training on the following topics: Obesity Prevention, CLASS Observations, Nurtured Mental Health Approach, Designing Parent and Child Fun Days/Health Fairs.

In addition, persons could choose from networking groups for family service workers, directors, health staff, parents and community.

Thanks to all who made this a successful, exciting day!
