

**Region 3 Head Start
Professional Development Series
2012**

The ACF Region III Head Start Office and T/TA System would like to invite you to the 2012 Head Start Professional Development Series. This series of high-level professional development opportunities is offered to Head Start and Early Head Start managers and administrators to provide you with the best expertise available on the topic of School Readiness and Program Management. The series includes sessions for directors, board members, and fiscal managers, as well as service area coordinators and managers. There is also a series of webinars for new directors and managers, to help provide everything they need to know for a successful transition into Head Start.

Please watch your e-mail for registration information. I hope we will see all of you in attendance at as many of these events as possible.
